

CO-POWERED BY

15 January 2026 | ITC Maratha, Sahar Road, Mumbai

Connect with the thinkers and doers redefining pharma logistics through intelligence, innovation, and shared experience. Together, we Learn. Lead. Transform.

# AGENDA

07:30 AM: Registration Start  
07:30 AM - 08:30 AM: Networking over Tea/Coffee  
08:30 AM - 08:45 AM: Welcome, Opening Address and Inauguration with Lamp Lighting

Panel 1	08:45 AM - 9:50 AM : Reimagining Pharma Supply Chains for a Volatile World
	<ul style="list-style-type: none"><li>• Innovating for Resilience and Risk Mitigation</li><li>• Strategies for Supply Chain Resilience</li><li>• Balancing Internal and External Risk Factors</li><li>• Enhancing Flexibility and Forecast Accuracy</li><li>• Building Reliable and Efficient Supplier Networks</li><li>• Strengthening Multi-Tier Supply Chain Visibility</li><li>• Managing Temperature and Counterfeit Risks</li><li>• Embedding Operational Excellence and Risk Control</li></ul>

09:50 AM - 10:00 AM: PRESENTATION 1

Panel 2	10:00 AM - 11:00 AM : Optimising Procurement, Production and Logistics for Peak Efficiency
	<ul style="list-style-type: none"><li>• Adapting Supply Chains to Dynamic Market Demands</li><li>• Controlling Material and Logistics Costs Inflation</li><li>• Ensuring Upstream to Downstream Supply Chain Alignment</li><li>• Integrating Intelligence for Smarter, Leaner Operations</li><li>• Connecting Suppliers, Manufacturers, 3PLs, and Distributors</li><li>• Harnessing Connected Logistics for Faster Deliveries</li></ul>

11:00 AM - 11:30 AM: Networking over Tea and Snacks

Panel 3	11:30 AM - 12:20 PM : Building Smart Digital Pharma Supply Chains
	<ul style="list-style-type: none"><li>• Using Big Data for Proactive Demand Management</li><li>• Harnessing AI and Machine Learning for Predictive Supply Chain Precision</li><li>• Scenarios and Optimising Production</li><li>• Integrating Dashboards for Connected, Seamless Operations</li><li>• Leveraging Blockchain for End-to-End Traceability</li><li>• Innovating Cold Chain Solutions with IoT and Smart Sensor Technology</li></ul>

12:20 PM - 12:30 PM: PRESENTATION 2  
12:30 PM - 01:30 PM: Networking Lunch

Panel 4	01:30 PM - 02:30 PM : Streamlining Warehousing and Pharma Exports
	<ul style="list-style-type: none"><li>• Preventing Temperature Excursions in Airport Operations</li><li>• Navigating Volatility in Pharma Supply Chains</li><li>• Seamless Air and Sea Freight for Pharma Exports</li><li>• Empowering Forwarders and Ground Handlers</li><li>• Driving Sustainable Delivery and Distribution Practices</li><li>• Ensuring GDP and WHO-Compliant Pharma Exports</li></ul>

02:30 PM - 02:40 PM: PRESENTATION 3

Panel 5	02:40 PM - 03:20 PM : Temperature-Controlled Transportation, Distribution and Delivery
	<ul style="list-style-type: none"><li>• Safeguarding Temperature-Sensitive Pharmaceuticals</li><li>• Optimizing Multimodal Transport and Freight Efficiency</li><li>• Ensuring Consistent, Compliant Handling Across the Chain</li><li>• Strengthening Security and Temperature Integrity</li><li>• Innovating Cold Chain Packaging with Sustainable and Reusable Solutions</li><li>• Harnessing AI to Prevent Excursions and Enable Predictive Decision-Making</li><li>• Building Robust Systems for Temperature Disruptions</li><li>• Using Control Towers for Centralised Oversight</li></ul>

03:20 PM - 03:30 PM: PRESENTATION 4  
03:30 PM - 04:00 PM: Networking over Tea and Snacks

Panel 6	04:00 PM - 04:50 PM : Bridging Clinical Trials to Commercial Success
	<ul style="list-style-type: none"><li>• Building Strong Manufacturing Partnerships for Supply Chain Efficiency</li><li>• Integrating Product Lifecycle Management Across the Pharma Value Chain</li><li>• Streamlining Transitions from Clinical Trials to Market Launch</li><li>• Accelerating Time-to-Market with Efficient Value Chain Integration</li><li>• Strengthening Collaboration with Contract Manufacturers and Internal Teams</li><li>• Aligning with Policy Makers for Regulatory Compliance</li><li>• Enhancing Delivery Efficiency from Production to Market</li></ul>

04:50 PM - 05:20 PM: Sponsor Partners Felicitation  
05:20 PM - 05:30 PM: Vote of Thanks  
06:00 PM - 07:00 PM: PHARMACONNECT AWARDS 2026  
07:30 PM: Networking Cocktail Reception (An informal opportunity for participants to discuss insights from the day and network)  
08:00 PM: Networking Dinner

Note: Maintaining punctuality for each session is essential to maximize the impact and value of the event. Attendees and speakers are encouraged to adhere strictly to the schedule to ensure smooth transitions and a productive conference experience.

TEA/COFFEE HOST

LANYARD PARTNER
